Our Festival Supports Arts Education

Chestatee Artists is on a mission to provide students with many opportunities to be creative and engage in the Arts! This includes art and music education and the performing arts. Students thrive on creative expression and we want to support these artistic programs.

Our main fundraiser is the **Dahlonega Arts & Wine Festival**. This event supports arts education initiatives for all Lumpkin County Schools for art and music materials and equipment. Non-profit community organizations, like the Holly Theater and the Georgia Pick & Bow Program, also benefit from donations that are dedicated to children's programming.

Be a sponsor for the 10th Dahlonega Arts & Wine Festival and become a partner in this mission.

Arts education programs in Lumpkin County are the recipients of funding by Chestatee Artists non-profit organization. Donations to various arts organizations are the direct result of the Dahlonega Arts & Wine Festival, presented by Chestatee Artists each May. The largest funding is awarded to our Lumpkin County School System for art and music in all five schools. Funding to all of these local arts programs totals more than \$14,000.

Businesses or individuals interested in being a festival sponsor or an Arts Education Partner can contact us through Chestatee.artists@gmail.com
